

Scientific Program GDPR Requirements for Biobanking Activities Across Europe

Perugia, Congress – May 25-26, 2022 Department of Law University of Perugia Via A. Pascoli, 33 - 06123 Perugia Room n. 7

25 May 2022

14.40 Registration

Chairman: **Angelo Sidoni**
Director of the Department of Pathology, Perugia General Hospital and School of Medicine – University of Perugia

14.50 Introduction & Welcome

Maurizio Oliviero
Rector of University of Perugia

Roberto Pini
President Florence Research Area, Director of “Nello Carrara” Institute of Applied Physics, National Research Council

Stefania Stefanelli
International relations delegate of University of Perugia

Andrea Sassi
Director of the Department of Law – University of Perugia

Tomaso Bori
Vice-President of Commission and Social Services of the Legislative Assembly of the Region of Umbria

Rosita Kammler
Past-President and Councillor of European, Middle Eastern & African Society for Biopreservation and Biobanking (ESBB). International Breast Cancer Study Group (IBCSG) and European Thoracic Oncology Platform (ETOP))

Keynote Speakers

Rainer Arnold
Jean Monnet Chair ad personam, University of Regensburg “Medical research and data protection in Europe - the emergence of general legal principles”

Sara Casati
ELSI Expert and Research Officer in ELSI Services & Research Unit of BBMRI ERIC, Bioethicist in BBMRI.IT, Technologist in Bicocca University “The lack of the legislative framework for biobanking activities”

Session I – Rights on biosamples

Chairman: **Emanuele Neri**
University of Pisa President of European Society of Oncologic Imaging (ESOI)

17.10-17.15
Some reflections about the ownership rights on biosamples
Andreia da Costa Andrade (University of Coimbra)

17.15-17.30
Conservation of Tissues and Personal Data (Retention time)
Dario Farace (University of Tor Vergata)

17.30-17.45
Secondary use and dual-use of biomaterial samples (online)
Carla Barbosa (University of Coimbra)

17.45-18.00
Contracting in the light of GDPR: key considerations for transfers of bio-samples and data from an industry perspective
18.15
Departure for Angelantoni Life Science S.r.l. : plant tour in Massa Martana.

26 May 2022

Session II – Consents for research activity

Chairman: **Roland Arnold**
Institute of Cancer and Genomic Sciences of University of Birmingham

09.00-09.15
Introduction to the session
09.15-09.30
Informed consent and consent for personal data treatment
Roberto Cippitani (University of Perugia)

09.30-09.45
Understanding Consent in Research involving children and vulnerable people (online)
Casimiro Benito Navarro Ojeda. (University of Las Palmas de Gran Canaria)

09.45-10.00
Consent and Rare Diseases (online) **Judith Köbler** (Medical University of Innsbruck)

10.00-10.15
Dynamic Consent
Sabrina Brizioli (University of Perugia)

10.15-10.30
Broad Consent for Retrospective Research (online)
Hohmann Balázs (University of Pécs-Faculty)

10.30-11.00
Coffee Break

Partner of conference

Angelantoni Life Science S.r.l.

<https://www.angelantonilifescience.com/it/>

Session III – Between medical investigation and data protection

Chairman: **Petra Duhm-Harbeck**
(Universität zu Lübeck, Member of European, Middle Eastern & African Society for Biopreservation and Biobanking (ESBB))

11.00-11.15
Introduction to the session
11.15-11.30
The trap of data anonymisation
Ricard Martinez (University of València)

11.30-11.45
Legitimate Interests as legal basis for research activity
Romana Čosić (Court Counsellor at Municipal Court of Vukovar-Croatia)

11.45-12.00
Archived tissue for diagnostic or therapeutic purpose and research activity
Antonella Mirabile (University of Perugia)

12.00-12.15
Who is the end user in a Biobank? **Laura Burzagli** (National Research Council)

12.15-12.30
‘Brexit Effects’ on the exchange of data and biological samples with the UK
Hedley Christ (University of Brighton)

12.30 Lunch

Session IV – National regulation on processing data for scientific research purposes and biobanking activities

Chairman: **Valentina Colcelli**
National Research Council, Co-chair Regulatory, Ethics & Gdpr (ELSI) Working Group of European, Middle Eastern & African Society for Biopreservation and Biobanking (ESBB)

14.30-14.45
Introduction to the session
14.45-15.00
National Report on Sweden and Finland
Joakim Nergelius (University of Örebro)

15.00-15.15
National Report on Denmark and Czech Republic
Paula Poretti (Josip Juraj Strossmayer University of Osijek)

15.15-15.30
National Report on Ireland and Slovenia
Tunjica Petrusevic (Josip Juraj Strossmayer University of Osijek)

15.30-15.45
National Report on Germany
Toni Fickentscher (University of Regensburg)

15.45-16.00
National Report on Poland and Austria
Joanna Osiejewicz (University of Warsaw)

16.00-16.15
National Report on Belgium and Luxemburg **Alessandra Langella** (University of Perugia)

16.15-16.30
National Report France (on line)
Viviana di Capua (University of Naples- Department of Pharmacy)

16.30-16.45
National Report on Hungary (online)
Gergely László Szöke (University of Pécs, Faculty of Law)

16.45-17.00
National Report on Croatia
Dunja Duić (Josip Juraj Strossmayer University of Osijek)

17.00-17.15
National Report on Spain
Joaquín Sarrión Esteve (National University of Distance Education Madrid)

17.15-17.45 - Conclusion

Christoph Brochhausen Vice Chair of Pathology, Head of the Central Biobank Regensburg. Institute of Pathology, University Regensburg, Co-chair Regulatory, Ethics & Gdpr (ELSI) Working Group of European, Middle Eastern & African Society for Biopreservation and Biobanking (ESBB)

Scientific committee: **Maurizio Oliviero, Angelo Sidoni, Christoph Brochhausen, Rainer Arnold, Roberto Cippitani, Valentina Colcelli, Andrea Sassi, Cristina Pelliccia.**

Management committee: **Sabrina Brizioli, Maria Elena Chiodo.**

Acknowledgement:

Final Conference for **UMBRIABIOPANKING Project**, coordinated by Prof. Angelo Sidoni, Programme: European Development Regional Fund (2014-2020) – Region of Umbria Duration: 15/3/2019 – 14/9/2022 Co-ordinator/Beneficiary: Azienda Ospedaliera di Perugia Co-Beneficiary(ies): University of Perugia (Centre of Research “Rights and Science”)
