PERUGIA GUIDED WALKING TOUR

1-hour walking tour in English through the historic centre of Perugia

26 May from the 7:00 PM to the 8: 00 PM

Perugia is a city full of charm and history. Every ancient gate, alley, piazza, palazzo, and church will capture your imagination; and every museum and gallery will impress you with a sense of history, culture, and art.

Perugia is not just a stuffy old showcase of the ancient, it also has a young, vibrant, and energetic feel. Perugia is the site of many festivals and concerts, the most important of which are the annual fall Chocolate festival and the summer Umbria Jazz festival, lending the city a chic and urbane atmosphere unmatched by other Italian cities.

The meeting point will be at Piazza Italia, from there we will go first exploring the different strata of Rocca Paolina – the so-called ‘Perugia underground’

The tour will focus on the main fountain – Fontana Maggiore – together with the other buildings standing in the square.

During the tour you will visit:

Corso Vannucci

Palazzo dei Priori

Fontana Maggiore

S. Lorenzo Cathedral (exterior only, closes at 7pm)

....climbing up to Porta Sole and appreciating its belvedere.
